CITY-WIDE EMERGENCY HOTLINE

When an emergency occurs in the city, please call the new city Emergency Hotline at (818) 597-7301 for updated information as it arrives.

GRAFFITI HOTLINE

Please help to keep the City of Agoura Hills clean by reporting any graffiti that you see by calling (818) 597-7355. Graffiti can be reported any day or time of the week. When reporting any graffiti, it is important to leave the date and time of your call and the exact location of the graffiti, as this will help our maintenance crews in cleaning up the affected area quicker.

The City's goal is to remove any graffiti on public property within 24 hours or the next business day. Any graffiti on private property is the responsibility of the property owner and should be removed immediately. We need everyone's help in continuing to make the City of Agoura Hills "The Good Life."

DYNAMIC YOGA: Relieve stress while harmonizing body, breath and mind. Develop strength, flexibility, and balance in a friendly non-competitive way.

GENTLE YOGA: This class is specially designed for the not so flexible or those in their golden years. Your own special needs and limitations will be addressed as you work towards rediscovering your personal, radiant health. Bring a towel and a mat.

ZUMBA: This class is an upbeat and motivating dance class. It involves fun unique moves and dance routines to your favorite Latin music. The combinations of fast and slow rhythms provide an effective calorie burning, body toning and feel good work-out. You won't even realize you are working out in this fun-filled and easy to do class!

ZUMBA GOLD: Zumba Gold targets the largest growing segment of the population: baby boomers. It takes the Zumba formula and modifies the moves and pacing to suit the needs of the active older participant. What stays the same are all the elements the Zumba Fitness-Party is known for: the zesty Latin music, like salsa, merengue, cumbia and reggaeton; the exhilarating, easy-to-follow moves; and the invigorating, party-like atmosphere. It's a dance-fitness class that feels friendly, and most of all, fun.

ZUMBA TONING: When it comes to body sculpting, Zumba Toning raises the bar (or rather, the toning stick). It combines targeted body-sculpting exercises and high-energy cardio work with Latin-infused Zumba moves to create a calorie-torching, strength-training dance fitness-party. Students learn how to use lightweight, maraca-like Toning Sticks to enhance rhythm and tone all their target zones, including arms, abs, glutes and thighs. Zumba Toning is the perfect way for enthusiasts to sculpt their bodies naturally while having a total blast.

Reyes Adobe Historical Site

Programs at the Reyes Adobe

The Reyes Adobe Historical Site is an early California rancho setting featuring:

- ★ A preserved adobe home with rooms depicting various periods of its history.
- ★ Interpretive displays on everyday rancho living.
- ★ An adobe barn that is now a museum and educational center on the site's unique legacy with cultural artifacts and California history timeline.

Public, educational and group programs are available throughout the year and offer a variety of ways to discover the region's unique legacy through guided tours, interactive exhibits and special events.

The Reyes Adobe Historical Site was made possible by the generous donations of the Santa Monica Mountains Conservancy, The Getty Grant Program and State Park Propositions 12 and 40.

Adobe Days and California Ways

Our field trip/Educational tours comply with suggested California State curriculum requirements. A special educational program has been established so that 4th grade children can visit the site with their schools to learn about California history with hands-on activities, learn about what life was like on the rancho, and the responsibilities of those who lived here on the land.

Community Services

WHAT IS CERT?

Local government prepares for everyday emergencies. However, during a large disaster, the number and scope of incidents can overwhelm conventional emergency services. The Community Emergency Response Team (CERT); traditionally known as the Disaster Response Team (DRT) in Agoura Hills; is designed to educate residents and businesses about emergency preparedness for hazards that may impact their area and instructs them in basic disaster response skills. Using the skills learned in the classroom and during exercises,

CERT-trained DRT members can give critical support to their families, neighbors, and community immediately following a disaster when residents may initially be on their own and emergency services may not be available to help.

WHY WAS THE CERT PROGRAM DEVELOPED?

The CERT training program was developed by the Federal Emergency Management Agency (FEMA) and modeled after the original 1985 programs used by the City of Los Angeles Fire Department. The purpose of the CERT program is to create a well-trained citizen emergency work force which is vital in the immediate aftermath of disaster situations when the number and scope of incidents overwhelm conventional emergency services.

WHY DO THE CERT TRAINING?

CERT members are primarily used in their own neighborhoods. CERT training means you are as ready as you can be to help yourself, your family, and your

neighborhood, and serves as the basic level of training for all community-based disaster volunteer teams. In a disaster, normal activities will be disrupted; sheriff, fire, 9-1-1, and ambulances will be quickly overwhelmed and may not be able to respond for 72 hours. Residents need to be able to take care of themselves until the professional emergency responders arrive. One goal of the CERT program is to help residents respond to and assist others in need and do so effectively without placing themselves in unnecessary danger.

If you would like more information about the City of Agoura Hills CERT Disaster Response Team, please contact the CERT information hotline at (818) 597-7302 or contact Louis Celaya at (818) 597-7314.

Reasonable Accommodations

The City of Agoura Hills provides a variety of programs, activities, and classes for all members of the community; including children, teens, and adults with special needs. Parents wishing to enroll their special needs child in any of our programs, activities, and classes should make sure to complete the "Notes" section on the Registration Form where requests for special needs accommodations can be made. Those parents that complete

this section will be contacted by the Department of Community Services Center staff so that reasonable accommodations can be made to accommodate the inclusion of their special needs child. Because of the limited staff ratio, it is usually required that a child with special needs be accompanied by an aid or caregiver, depending on the severity of the disability.
