

Agoura Hills Christmas Tree Recycling Program

December 26, 2015 – January 16, 2016

The City of Agoura Hills is once again participating in the County of Los Angeles Sanitation District's annual Christmas Tree Recycling Program. Agoura Hills residents are encouraged to participate and have their Christmas trees collected and recycled. The service is free of charge to all Agoura Hills residents.

How do I Participate?

Simply place your trees inside your green waste cart on your regular refuse collection day during this period. Waste Management/GI Industries will collect and recycle all trees with the County of Los Angeles Sanitation District. Multi-family complexes wishing to participate should contact their property management companies and arrange for special bin to be delivered to the complex.

Are There Special Requirements?

Yes - All Christmas trees must be "cut in half" and have the following items **removed** prior to placing the tree in the green waste container for pickup:

- 🍊 Water Containers
- 🍊 Metal Stands
- 🍊 Ornaments
- 🍊 Tinsel
- 🍊 Lights

Flock/Fire retardant trees are acceptable

For special collections on non-scheduled pick-up days, please contact Waste Management directly at 1-800-675-1171.

For questions on the program, please contact Solid Waste Solutions at (805) 495-7521 or City Hall at (818) 597-7300. Thank you for helping to recycle your Christmas trees!
